

Little Egypt Corvette Club

8 Adrienne Avenue

Centralia, IL 62801

Dear Sir,

Little Egypt Corvette Club is seeking sponsors to enhance our program. We have been meeting in the area since 1990. We incorporated as a 501 c corporation in 1992 as part of the National Council of Corvette Clubs. The purpose of our club is to encourage enjoyment of the Corvette automobile. We meet monthly on the first Sunday of the month. We have members in a five county area centered around Centralia. We travel to a destination for most of our meetings so we have no regular meeting place. Our calendar of events is enclosed to give more details about our activities.

The club annually donates to PAVE, or BCMW, or the Salvation Army as part of our activities. Our only fundraising events have been our NCCC sanctioned events. In 2007 we held a car show at Boulder Chevrolet which also helps to fund the scholarships. We established a scholarship at Kaskaskia College in 2006 to encourage qualified students in the area to learn automotive skills. Through your sponsorship of the club, we would like to make this not only annually funded, but perhaps grow to an endowed scholarship. We feel the need for technically skilled automotive workers as we use our cars. For the 2008-2009 school year we awarded 4 scholarships of \$750.00 each. Consider joining us in our endeavor to train and keep skilled workers in the area.

Sincerely,

Tom Kasten
